Full Time

Specialized Programs and Services to Support the Development of Young Children

We are growing and hiring!

Providence is a vibrant, registered charity with a long-established history of providing therapeutic and educational services to families and childcare facilities in Calgary and surrounding area. Our programs are designed to support young children who may not be meeting typical developmental milestones. Providence provides the opportunity to enhance the health and development of children and their families. Learn more about us at: www.providencechildren.com

We are currently seeking an energetic and dynamic individual with a passion for working with young children to join our schools as a **Speech-Language Pathologist** starting **now and** for the **2024-2025 School year**. This position will work in schools across Calgary region. The hours of work are 8 AM – 4 PM (Monday to Friday).

It is an expectation at Providence that all employees are fully vaccinated against COVID-19 as a condition of employment.

We offer:

- Fantastic opportunity to work with our dynamic team and collaborate with Speech-Language Pathologists, Occupational Therapists, Physiotherapists, Behavioural Specialists, Teachers and Teaching/Therapeutic Assistants.
- Professional development funding for ongoing learning and career advancement.
- Competitive salary range (Alberta Health Services pay scale).
- Comprehensive health and dental benefits package which includes optional RRSP contributions, wellness days, appointment time and paid sick time.
- Employee Assistance Plan.
- Up to 4 weeks paid vacation and additional 10 days paid time off during Christmas break.
- Free onsite parking.

The ideal candidate should:

- Have demonstrated ability to establish and maintain cooperative working relationships with students, colleagues, parents and other stakeholders
- Be adaptable. Children are busy and active – so you are too. Adaptability is important because every day will be different and the candidate will have to navigate their way through rapidly changing environments with enthusiasm, problem-solving skills and humour
- Be flexible, curious, creative, and able to multi-task in our ever-evolving world in pediatrics
- Enjoy working with a multi-disciplinary team to deliver child-focused services

Responsibilities include:

- Conduct assessments to establish qualifications for services and guide intervention.
- Managing caseloads with a diverse and complex pediatric population and their families.

- Collaborate with other professionals to support positive outcomes for children.
- Gather and interpret data.
- Engage parents in planning, decision making, and program implementation.

Ideal Qualifications:

- Master's graduate of a Speech-Language Pathology degree program from a recognized university.
- Registered with the Alberta College of Speech-Language Pathologists and Audiologists (ACSLPA)
- Proficiency with word processing and software packages for language development and Augmentative and Alternative Communication (AAC).
- Experience working as a Speech-Language Pathologist with children. Successful practicum experience with good references is an asset.
- Valid First Aid and CPR Certificates.
- Demonstrates strong organizational, interpersonal and communication skills.
- Must be willing to travel within Calgary and to surrounding areas.

Personal suitability NOTE: This position requires lifting and carrying demands that require the ability to bend at the waist, stoop, and twist frequently, the ability to lift up to 50 lbs, the ability to carry, push and pull up to 50 lbs, and the ability to stand, walk and sit frequently.
